

# The Greater Works House, Inc.

## Guiding Principles

### ***Vision:***

To be a beacon of hope for the local community where poverty is diminished and disadvantaged residents live securely with dignity.

### ***Mission:***

Raise economic, education and social levels of the disadvantaged.

### ***Services:***

- **(Affordable Housing)** Create affordable housing for the elderly (homeless, disadvantaged and veterans), 55 and up, and surround them with the supportive services needed to reduce poverty within the community of San Bernardino County to improve their quality of life.
- **(Food and Clothing Distribution)** Provide food boxes, grocery and sanitation bags, clothing for men, women and children, blankets and winter coats to homeless families during our quarterly campaign.
- **(Job-Training)** Provide job search, interview skills, resume writing, and on-job training to support financial literacy education classes, credit score analysis and repair, and “**Money Smart for Older Adults**” workshops to increase knowledge and improve skills for employment opportunities.
- **(First-Time Home Buyers Program and Training)** To assist, counsel, guide and help low- and middle-income clients to qualify for housing as a first time home buyer and become part of the American dream and have access to state programs, tax breaks, and federally backed loans.
